About the Report

Scope and Boundary of Reporting and Reporting Period

The Report covers financial and non-financial information and activities of TNT for the period April 1, 2020 to March 31, 2021, while the financial information has been audited by M/s Abhay Jain & Co, Chartered Accountants.

Reporting Principles

The Report is prepared in line with the Companies Act, 2013 (and the Rules made thereunder), Indian Accounting Standards, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Secretarial Standards.

Forward-looking Statements

Certain statements in this Report relating to our business operations and prospects may be forward-looking statements. These statements can be identified by usage of words such as 'believes', 'estimates', 'anticipates', 'expects', 'intends', 'may', 'will', 'plans', 'outlook' and other words of similar meaning in connection with a discussion of future operating or financial performance. These forward-looking statements are dependent on assumptions, data or methods that may be incorrect or imprecise and hence may be incapable of being realised. Such statements are not guaranteed of future operating, financial and other results, but constitute our current expectations based on reasonable assumptions. The Company's actual results could materially differ from those projected in any forward-looking statements due to various future events, risks and uncertainties some of which are beyond our control. We do not assume any obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.

Managing Director's Message

Accelerating value creation

During the year, our core focus remained on 'Health, Cost and Cash'.

Dear Shareholders,

I take pride in leading an organization that continues to play a pivotal role in nation-building. It reflects the positive impact our teams continue to make in the face of unprecedented challenges.

During the year, we ensured the health and safety of our people. We connected more closely with our customers and reinforced our market leadership with value added products and services. We also optimized our operations for greater efficiency and strengthened our commitment to sustainability by driving focused efforts in the area.

MACRO DYNAMICS ARE TURNING FAVOURABLE

The government's focus on infrastructure and affordable housing is expected to bolster steel pipes demand. Affordable housing initiatives are expected to pick up pace under the Pradhan Mantri Awas Yojana (PMAY) with enhanced budgetary allocations. The Government spending on housing and infrastructure projects is expected to increase demand for steel pipes and building materials. Good monsoon has helped to improve the agricultural output which also augurs well for increased steel pipes demand.

As per the November 2021 India Brand Equity Foundation (IBEF) Report on steel pipes Industry, steel pipes demand is expected to reach 1000-1500 MTPM by 2025, thanks to a gradual upswing in housing, Commercial, Agricultural and Industrial construction.

PERFORMANCE IN PERSPECTIVE

During the year, we reported net sales of Rs. 51.98 Crores and consolidated net loss of Rs. 0.68 Crore, after remitting the sum of Rs.2,53,72,509 (Rupees Two Crores fifty-three lacs seventy-two thousand five hundred and nine only) towards Income Tax disputed amounts by availing "Vivad se Viswas" Scheme. We could ensure healthy cash flows due to rigorous working capital management.

A sharp focus on sustainable development embodies safety, conservation of energy and natural resources, preserving environment and biodiversity, water stewardship and the well-being of host communities.

STRATEGY AT PLAY

Although the disruption brought about by COVID-19 created short-term challenges, it also created medium-term opportunities. During the year, our core focus remained on 'Health, Cost and Cash'. Our operations continued to pave the way for business continuity and resilience as we drove cost efficiencies and prudently optimized cash follows to conserve liquidity.

We are innovating more than ever and investing in our people, technology and operations to develop solutions that take advantage of emerging trends in the industry. We continue to invest in areas of solutions and products, digital initiatives, technology, sustainability and in people development to build the TNT's of tomorrow.

RE-IMAGINING THE FUTURE WITH TECHNOLOGY

The way business environment is changing, organizations which embrace technology and remain focused on digital innovation, intelligent use of data and excellence in customer services would be able to lead the way. Over the last few years, we have increasingly focused on transforming our business by leveraging IT and digital interventions. We are enhancing customer experience through upgraded versions of Dealer Connect App. This offers additional functionalities. The Steel Traders' Club App comes with a singular social platform for construction professionals such as structural engineers, Architects and Design Engineers.

TRUST AND INTEGRITY HELP US THRIVE

Companies today are judged as much by their integrity and trustworthiness as by their financial performance. At TNT, doing business with integrity goes hand in hand with our strong corporate governance framework, excellent safety protocols, care and concern for all stakeholders.

INVESTING IN PEOPLE

In order to build the TNT's of tomorrow, we believe in the importance of a diverse workforce and an inclusive environment. TNT continues to strengthen its zero injuries, onsite or offsite, in all its operations so that 'Every day is a Safe day at 'TNT' .

COMMITMENT TO TACKLING CLIMATE CHANGE

Our sustainability strategy is led by our Sustainable Development 2030 Plan, which focuses on four broad pillars of climate and energy, circular economy, environment, and people and communities.

Through the 'TNT' brand, we continue our efforts to provide safe waste management solutions to industries while meeting the highest standards of health, safety and sustainability. Geocycle processes waste materials of various kinds to be used as kiln fuel, thereby offsetting the need for fossil fuel to an increasing extent.

ESG FOCUS - WORKING TOWARDS A BETTER WORLD

The long-term success of our business is rooted in our ability to keep sustainability at the core of our endeavours. Our unwavering commitment towards balancing business growth, environmental stewardship and social progress bears testimony to our concerted and responsible efforts towards transitioning to a brighter future.

REACHING OUT TO COMMUNITIES

Since the COVID-19 outbreak, TNT touched Industry lives by manufacturing and distributing triple layered face-masks and jute bags and spreading awareness. TNT has taken steps to alter the attitude of the nearby communities towards health and hygiene through awareness campaigns.

Here's wishing you all a healthy, safe, and productive year ahead.

Regards,

BIVASHWA DAS
Managing Director

In the 42 years of the company's operations, its products and services have been used in raising mega structures and iconic landmarks that symbolize a nation in progress.

TNT has played a meaningful role in the nation building process, providing quality building materials and services and sharing its expertise – touching the lives of generations of people in cities, towns and villages. Its presence has been vital in raising mega structures like dams, canals, irrigation schemes, power plants, ports, roads and railways besides enabling urban transformation with skyscrapers, flyover & bridges, airports and metro rail projects.

An indefatigable workforce supported by an extensive network of channel partners who cater to a vast number of individual house builders has marked TNT as a brand to trust for durability.

As the government moves ahead with plans for greater investments in infrastructure development, Smart Cities and urban transformation, the company has also revved up its capability to provide quality building materials and services to match the engineering excellence that go into implementing ambitious projects necessary in these segments

BUILDING INDIA**MADE IN INDIA****Manufacturing Excellence**

TNT has been an unrivalled pioneer in South India's galvanized steel pipes and MS pipes industries. Its facilities for the manufacture of stainless steel, galvanized steel and

M.S. Steel pipes, which have state-of-the-art technology including a considerable degree of automated process control systems, demonstrate high performance levels and assure consistent quality to match class standards. The recently commissioned new stainless in the existing plant is in itself a showcase of South India's project and engineering excellence.

TNT stainless steel and galvanized steel pipes and MS

BUILDING INNOVATIVENESS

pipes plants are capable of meeting specific needs of customers

- beginning with the basic requirement of engineering units, builder, government agencies, automobile and textile industries and challenging demands of mega projects for water transport and other scaffolding projects, roofing projects and other specialized applications.

TNT's team of engineers, shop floor associates and workers are considered among the best in the industry. The plants follow a strict regimen of safety management protocols.

Excellence in Stainless steel, Galvanized steel pipes and MS pipes

TNT's unique track record of innovative research and development has led to its recognition as a pioneer and trendsetter with several breakthroughs in stainless steel, galvanized steel pipes and MS pipes over the years and more recently to include many new products that have widened its portfolio of value-added varieties of galvanized steel pipes and MS pipes.

Hallmark of Quality – Steel Pipe

ERW – G.I., BLACK & GALVANIZED and SS PIPES

TNT has been a trend setter in South India's steel industry. TNT has been the brand of choice for cities and villages as well as enduring structures for infrastructure and steel industry. Our range of steel pipes is marketed by a vast countrywide distribution network of over 100 dealers and more than 500 retailers.

Product Development

TNT manufactures various sizes of pipes - Square, Rectangular and now introduced Stainless Steel Pipes for special applications – supplied in bulk for large areas. We have an assortment of special applications. Product Development is a vital role in our endeavour for customer excellence, enabled by a focus on applied research and innovation that drives quality, process improvement and application.

Quality

TNT demonstrates a tradition of providing trustworthy and consistent quality through the application of modern technology to meet the needs and preferences of a nationwide customer base in the steel industry. TNT factory has the state-of-the-art process control instrumentation, quality control systems and testing laboratories manned by qualified personnel. As a result of this unwavering focus on quality, TNT pipes' specifications exceed statutory standards.

TNT's S.S. Pipes

TNT's pioneering efforts in introducing stainless steel pipes coupled with the promotion of bulk steel pipes. Handling facilities have been responsible for redefining the pace and quality in metropolitan cities and in mega infrastructure projects. Today, TNT is one of the largest manufacturers of steel pipes in South India.

Numerous landmark structures in India's metro cities have been using TNT pipes in mega projects, townships, commercial complexes, factories, bridges, flyovers, roads, agricultural sector and railways.

TNT is manufactured under computer-controlled operations, transported and placed at site using sophisticated equipment and methods. The use of TNT pipe is an environment friendly practice that is sophisticated, ensures high levels of quality assurance and value addition and causes minimal disturbance to its surroundings. This makes its utility more

significant in crowded cities and localities.

TNT pipes are supplied in a variety of grades and compositions to meet specific demands of customized applications – from simple requirements to meet the complex needs of mega projects.

Customer Excellence: We do our utmost to create a unique experience for our customers. We do what it takes to see that the customer experiences value in everything we do – in our products, in our service, in our communication, in every transaction and in every interface involving the customer. This customer centric approach demands that we offer superior products, superior logistics and superior service.

A young and dynamic sales force manages the frontline engagement with customers. They work with a large contingent of dedicated channel partners who are in turn complemented by an extensive network of retailer outlets that makes it easy to reach the masses of South India who make up our main customers.

Besides our standard offering, we promote an assortment of Premium products that incorporates enhanced technical features appropriate for different local conditions. Premium products come packed in tamper proof packaging.

A selection of routine studies and dipstick survey ensures that we always have the pulse of our valued clientele. Frontline sales personnel spend time in retail outlets to gather insights into the buying process from in-store consumer behaviour. Tools like Net promoter Score and the E3 Model (Economic, Emotional & Ego) helps gauge dealer satisfaction and understand their needs.

Customer Service teams offer a range of Technical Services from providing basic product knowledge to retail buyers to customized and fee-based services for the large buyer. A variety of other technical seminars and training programmes conducted by our Customer Service teams allow useful engagements with experienced engineers.

Innovative & Future Ready

These and other such efforts seek to shape for the company a future as noteworthy as its past rendering it innovative and future ready in building sustainable solutions and enabling the people who can help make it happen.

Leadership & Governance

TNT is a professionally managed company with its core values based on ethics and good corporate citizenship. The Board of Directors comprises eminent professionals of unquestionable integrity, a majority of who are Independent Directors. The Board endeavours to maintain the company's tradition of upholding the highest standards of Corporate Governance. The Managing Director oversees day to day working and operations of the Company with the help of other Whole-time Directors. Also, he is assisted by the Executive Committee (Exeo) which includes the functional heads of Finance, Manufacturing, Marketing, Human Resources and Procurement. The Ex-co is responsible and accountable for overall business deliverables.

A BRAND THAT CARES

Sustainable Business:

Your Company rejoices in greening the environs around us. A deep concern for conservation of the earth's precious resources is integrated into all activities of our value chain from slitting to sales. We continuously explore ways to make our business eco-friendlier; from deploying clean works techniques to transforming Factory into lush forests or useful water bodies. We minimize the use of chemicals that gainfully utilize industrial wastes.

All this helps cut our carbon footprint down to a level that is best in class. We have been among most sustainable companies and conducting sustainable business.

A Caring Company:

We partner with the rural community living around our operations to improve the quality of their lives. In their well-being lies our license to operate.

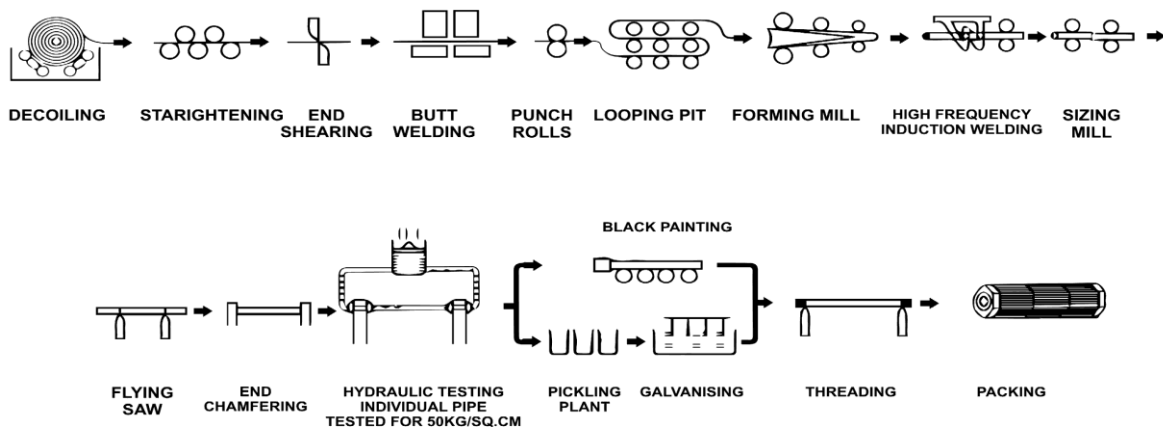

People - Architects of Success:

TNT is proud to retain its position as the Best Employer to work for in the Steel Pipe Sector. The company's Human Resource function incorporates effective engagements with all levels of employees with a view to ensure that the workforce is close knit, motivated and ready to excel in the marketplace.

The Training programme, initiated in 2015, aims to re-engineer the work culture in our manufacturing units such that they can become more responsive to address the changing requirements of the industry. Our Shop floor associates endorsed this initiative as part of a remarkable common long-term accord with the company.

Efforts continued to make sure that training and leadership development processes are designed to enhance technical and functional capabilities, with special focus on nurturing young talent. This will help us meet emerging challenges and keep the organization's talent pool effervescent and future ready.

Total Comprehensive Income

Total Comprehensive loss for the year is Rs. 0.68 Crore as compared to a loss of Rs. 2.46 Crore in 2019-20.

3. COVID-19 and its impact

Consequent to the outbreak of the COVID-19 pandemic and the lockdown/curfew introduced by the Central and State Governments, the operations in the Company's manufacturing plants situated across various locations of the Country had to be shut down or were disrupted till the first half of 2020-21.

With the easing in the lockdown/curfew and the Governments permitting operations to be resumed with necessary permission from the local authorities, the Company from end April 2020 onwards resumed operations, in a partial manner, in our factory. As the situation improved, the Company's operations were also scaled up to the pre-pandemic level in line with improvement in the economic activity in the Country.

With the widespread resurgence of the COVID-19 virus resulting in a more serious, second wave of the pandemic, the Governments across various States of the country started imposing lockdown/lockdown-like restrictions again from the month of April 2021 onwards. These measures have come to impact the operations of the manufacturing plants and warehouses of the Company leading to no or minimum level operations only as permitted in the States.

Considering the seriousness of the pandemic situation, the Company is taking various measures to ensure the health and safety of its employees and to comply with the directives regularly being issued by the Central and the respective State Governments besides the local authorities at all its business locations. The Company will continue to monitor the situation for taking timely action based on the guidance from the Governments and the authorities.

The Company has considered the possible effects/ impact arising from COVID-19 on its financial results for the year 2020-21 and at this stage, it has concluded that no material adjustments are required to the same. The Company will continue to closely monitor any material changes to future economic conditions.

4. TRANSFER TO RESERVES

Since the Company incurred loss during the year, no profits for FY 2020-21 are transferred to General Reserves.

5. CASH & CASH EQUIVALENT

Cash and Cash Equivalent as at March 31, 2021 was Rs.1.23 Crores. The Company continues to focus on judicious management of its working capital. 24. INTERNAL CONTROL SYSTEMS

Internal Audit and their adequacy

The Company has in place well defined and adequate internal controls commensurate with the size of the Company and the same were operating effectively throughout the year. To maintain its objectivity and independence, the Internal Auditor (IA) reports to the Chairman of the Audit Committee of the Board. The IA evaluates the efficacy and adequacy of Internal Control System, its compliance with operating systems and policies of the Company and accounting procedures at all locations of the company. Based on the report of IA, process owners undertake corrective action in their respective areas and thereby strengthen the controls. Significant audit observations and corrective actions thereon are presented to the Audit Committee of the Board.

Internal Financial Control Systems with reference to the Financial Statements

The Company has complied with the specific requirements of the Companies Act, 2013, which call for establishment and implementation of an Internal Financial Control framework that supports compliance with requirements of the said Act in relation to the Directors' Responsibility Statement.

The Company has in place adequate internal financial controls commensurate with the size, scale and complexity of its operations. During the year, such controls were tested and no reportable material weakness in the design or operations were observed. The Company has policies and procedures in place for ensuring for proper and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information.

The Company has adopted Accounting Policies which are in line with the Accounting Standards and the Act. These are in accordance with generally accepted accounting principles in India. Changes in policies, if required, are made in consultation with the Auditors and are approved by the Audit Committee.

The Risk Management Committee of the Board of Directors reviews the risk mitigation plans periodically to monitor the key risks of the Company and evaluate the management of such risks for effective mitigation.

The company has a robust financial closure, certification mechanism for certifying adherence to various accounting policies, accounting hygiene and accuracy of provisions and other estimates.

25. VIGIL MECHANISM / WHISTLE BLOWER POLICY

The Company has a Vigil Mechanism named Ethical View Reporting Policy (EVRP) to report concerns about unethical behaviour, actual/suspected frauds and violation of company's code of Conduct. Protected disclosures can be made by a whistle blower through several channels. An Ethical View Committee has been constituted to discuss the finding of the investigations of the complaints and to recommend remedial actions. The Audit Committee of the Board oversees the functioning of the Ethical View Committee.

Also, during the year, your Company reached out extensively to employees to conduct greater awareness on Value Creation in Competitive Environment (VCCE) and on Anti Bribery and Corruption Directive (ABCD) through e-learning modules and face to face sessions, achieving a high level of engagement and compliance. This reflects your company's strong commitment to Zero tolerance for non-compliances in this regard and to doing business the right way and with integrity.

26. BOARD EFFECTIVENESS**a. Familiarization Programme for the Independent Directors**

In compliance with the requirements of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015, the Company has put in place of familiarization programme for the Independent Directors to familiarize them with their role, rights and responsibility as Directors, the working of the Company, nature of the industry in which the company operates, business model etc. The details of the familiarization programme are explained in the Corporate Governance Report.

b. Board Evaluation

Pursuant to the provisions of the Act and the SEBI (LODR) Regulations 2015, the Board has carried out the annual performance evaluation of its own performance, the Directors individually as well as the evaluation of the working of its Audit, Nomination & Remuneration and Compliance Committee. The criteria applied in the evaluation process are explained in the Corporate Governance Report.

27. ENHANCING SHAREHOLDER VALUE

The organizational vision is founded on the principles of good Governance and by the resolve to be a customer-centric organization which motivates the Company's Management to be aligned to deliver leading-edge building products backed with dependable after sales services.

Your Company is committed to creating and maximizing long-term value for Shareholders and essentially follows a four-pronged approach to achieve this end.

- a) by increasing all-round operational efficiencies.
- b) by identifying strategies that enhance its competitive advantage.
- c) by managing risks and pursuing opportunities for profitable growth, and
- d) by cementing relationships with other important Stakeholder Groups through meaningful engagement processes and mutually rewarding associations that Enable it to create positive impacts on the economic, societal and environmental dimensions of the Triple Bottom Line.

Underlying this is also a dedication to value-friendly financial reporting that assures the Shareholder and investor of receiving transparent and unfettered information on the Company's performance.

28. ECONOMIC SCENARIO AND OUTLOOK

Outbreak of the COVID-19 pandemic in early 2020 and the sharp resurgence of the pandemic again in the recent months of 2021, even as the situation appeared to be kept under good control, in the form of a more serious and devastating second wave, have

come to pose an unprecedented global crisis, of a scale never witnessed before in the annals of the history of mankind. Measures to contain rapid spread of the pandemic through the imposition of lockdowns/lockdown like restrictions, while helping in stemming the spread of the pandemic to a large extent, have, at the same time, applied brakes on economic activity with serious implications to consumption and investment. The impact is well evident as India's Gross Domestic Product (GDP) contracted by 7.3%, in 2020-21 as per the provisional National Income estimates released by the National Statistical Office recently. The Gross Value Added (GVA) in the economy shrank 6.2% in 2020-21 compared to an increase of 4.1% in the previous year. While this is the bleakest performance on record for the economy, the fourth quarter of 2020-21 helped in repairing the damage, with a higher than expected growth of 1.6% in the GDP. This marked the second quarter of positive growth after the country entered a technical recession in the first half of the year. With a lower contraction in the GDP as well GVA in 2020-21, the sharp recovery projected for 2021-22 for the Indian economy by a number of agencies like the International Monetary Fund, at 12.5% and the Reserve Bank of India, at 10.5% may appear difficult at this point as the scourge of the Novel Coronavirus has returned to hurt and blunt economic activity once again.

Although the global economic output is recovering from the collapse triggered by the COVID-19 pandemic, it appears that it will remain below pre- pandemic trends for a prolonged period of time. The pandemic has exacerbated the risks associated with a decade-long wave of global debt accumulation. As per the World Economic Update issued by the World

Bank, although the recent vaccine approvals have given rise to hopes of a turnaround in the pandemic situation later this year, renewed waves and new variants of the Coronavirus pose concerns for the outlook. Amid exceptional uncertainty, the global economy is projected to grow 5.5% in 2021 and 4.2% in 2022.

India's metal sector has suffered a significant blow on account of operational difficulties and poor demand due to COVID-19 and a slow recovery back to pre-pandemic level of production is expected in the coming quarters. In addition, since January the production of crude steel has dropped in the country. India's crude steel output fell by 1 per cent to 19.1 million tonnes (MT) during the first two months of 2021. The country had produced 18.9 MT crude steel during the same period last year. "This will drop further in the first quarter of FY 2021."

As the country is still trying its best to navigate through this unparalleled crisis, the Government and the Reserve Bank of India are taking well calibrated measures to support a robust economic recovery. The Union Budget 2021 was one good example of the initiatives of the Government in focusing on regaining the growth momentum in the economy through several measures including keeping the tax rates stable and enhancing investments in infrastructure.

29. STAINLESS STEEL PIPES INDUSTRY - OUTLOOK AND OPPORTUNITIES

Steel demand is expected to be strong due to recovery in manufacturing businesses around the world and global fiscal stimulus supporting infrastructure projects. The outlook for 2021 is expected to be positive because of the unprecedented fiscal stimulus provided by the governments across Europe, the US, Japan, Korea, Russia and China. These stimulus packages are expected to spur growth in these nation's respective infrastructure sectors, boosting steel demand. China is expected to grow by 5% in 2021 with continuation of healthy demand conditions especially in the first half of 2021. Steel demand in key emerging economies (like India, Turkey) and Europe is expected to witness double digit recovery while Asia and Middle-East are likely to grow by 5%.

While it is expected that steel prices will consolidate closer to historical levels, prices are likely to remain high supported by (i) strong iron ore prices, (ii) rebound in coking coal prices, (iii) positive impact from stimulus plans, and (iv) improved business confidence from the roll-out of vaccines. Strong rebound of demand in 2021, in addition to supply-side reforms in China could lead to higher steel prices globally.

Political and geopolitical developments, such as a reduction in government stimulus programmes, policies to cut emissions and trade wars, could increase pressure on the steel sector.

India's steel industry has also suffered the production loss due to lockdown last year and recovered gradually since then, initially driven by export followed by gradual recovery in domestic demand. Strong rebound in manufacturing and infrastructure development activity has led to a sharp rise in both production and consumption of steel in India. In 2021, India's steel demand is expected to grow by 20% over 2020, taking the demand higher than the pre-pandemic level of 103 MnT, driven by strong infrastructure spending and sustained demand of automotive and consumer durables.

The key opportunities boosting the steel demand are as follows:

- Government's focus on strengthening the domestic manufacturing base under the flagship "Atmanirbhar Bharat" programme. The Production Linked Incentive scheme has been introduced to boost the manufacturing sector in industries like automobile & auto components, consumer durables, solar equipment, telecom, etc. These are expected to boost steel consumption.
- Government has announced an investment of over ₹1 trillion in infrastructure over the next 5 years. This would be a key growth driver not only for steel industry but will also be a multiplier of growth across the sectors, boosting steel demand from sectors such as transportation, real estate and infrastructure.
- Emergence of new trends after COVID-19 such as work from home, preference to physical distancing would create additional demand for furniture, personal mobility,

etc. In addition, the rise in e-commerce activity will support the growth of warehousing and light commercial vehicles.

However, the downside to these opportunities are as follows:

- Resurgence of infections leading to fresh lockdowns, both localised as well as regional/ national level resulting in disruption in economic activity.
- Heavy dependence of agriculture sector on monsoon. In last 2 years, a normal monsoon has supported the growth in agriculture sector.
- Slower recovery in contact-based services, which is an integral part of Indian economy and affects lives & livelihood of service sector.

TNT is one of the most trusted Stainless-Steel Pipes and Tubes Manufacturing Company in South India since 1979. TNT was established with a vision to manufacture and to provide Stainless Steel Tubular Pipes to the Industry. The Promoters of the Company with an ample experience and expertise sensed the Board in the fast-emerging field and invested in the best available human resources technology, infrastructure. The critical challenges before your Company would include the following:

To pursue a judicious value-cum-volume strategy so as to maximize utilization of existing capacity including the additional capacity from the newly expanded Jamul plant.

- To continue to step up the sale of value creating Premium products.
- To further streamline channel management and strengthen marketing activities in a manner that leverages the Company's brand equity.
- To continue promotion and facilitation of cashless transactions in the retail network with a view to ensure uninterrupted retail off takes.
- To develop the means to foresee changes in the value chain and the agility needed to keep strict control on the costs of fuel and raw materials amid volatile global prices.

The above initiatives together with your Company's continued focus on cost efficiency and other customer excellence initiatives should help in presenting an improved performance.

31. SUSTAINABLE DEVELOPMENT**CO2 Emissions:**

Your Company is committed to cut its carbon footprint in line with the Low Carbon

Technology Roadmap for the Pipe Industry.

Green Energy

Controlling Emissions: The installation of dust monitors as per the statutory requirement of TNPCB was completed at our plant.

Water Performance:

Performance and to achieve a water positive status, the Company has focused its efforts on two approaches:

- i) Reduction of fresh water intake by lowering water demand in process and non-process areas and waste water recycling after treatment. Water metering and monitoring systems were installed.
- ii) Conservation of water by rain water harvesting in plants, and sustained water harvesting measures undertaken over the years has helped our Plant become self-reliant without being dependent on natural water sources like rivers and bores wells. These two approaches have helped your Company reduce its specific water consumption.

Biodiversity

Your Company is committed to the conservation of biodiversity. Efforts on biodiversity conservation are focused on following areas:

- i) To study and assess the biodiversity operated by the Company.
- ii) On-ground implementation of activities which conserves biodiversity:
- iii) Afforestation activities in and around our plant premises with native species of trees at our Plant.

32. HEALTH & SAFETY (H & S Policy – Initiatives)

H&S business processes and information systems across the Company were further strengthened with the proposed launch of an online H&S application called "Click2Safety". This application helps streamline reporting in a manner that gives access to all employees, is standardized, is faster and enriches the H & S Database.

33. LOGISTICS SAFETY

Logistics safety is one of the major focus areas for your Company. Ongoing initiatives undertaken in this regard included provisions of various plant and parking level protocols, creation of certain hygiene factors for truck drivers and their crew such as amenities at truck parking yards, improving tarpaulin tying practices, improving Personal Protective Equipment usage, renewal of logistics contracts to include safety parameters and issue of "passports", for drivers as well as vehicles which are informal

internal databases that provide details of individual identity, registration, roadworthiness and safety preparedness.

34. HUMAN RESOURCES

The Company adopted a functional organization structure which is intended to enable the organization to be more collaborative, agile and streamlined in implementing strategy, harnessing internal functional expertise to the fullest and in enhancing stakeholder value.

Employee Relations

The HR policy is intended as a part of the Company's continuous efforts to offer one of the "Best Places to Work" in the Pipe Industry. This policy was designed to attract new talent and motivate existing employees to contribute to their peak performance levels. The Company's HR function is recognized in the sector for its engagement and leadership development processes in nurturing talent necessary to keep the Organization's talent pool future ready. The Company continued with efforts to ensure that its pool of human resources is "future ready" through its robust processes of learning & development, capability building and its development programme for shop floor associates. Efforts continued to be taken to develop leadership lines as well as to enhance technical and functional capabilities with special focus on nurturing young talent, in order to meet future challenges.

Productivity Improvement

During the financial year 2018-19, the Company introduced Stainless Steel Pipes (SS Pipes) production and took initiative to introduce a more responsive, efficient and lean organization design in the Plant. This is continued to show its production with improvement in the future years.

India Manufacturing Transformation (IMT)

The IMT Programme aims to make the work-culture in the core areas of production and maintenance in the Steel Pipe Plant more contemporary. This envisages a lean manufacturing organization design with multitasking, standardization and simplification of manufacturing processes, improved productivity standards, introduction of a centralized maintenance design with better planning and benchmarking with the best-in-class. These initiatives will enable the Steel Pipe Plant operate more efficiently in a competitive environment and render them compatible with National manufacturing standards.

Industrial Relations

Employee Relations at all the Units remained cordial. This has helped to build a healthy relationship and resolve issues through mutual dialogue. A major achievement in this area was the successful conclusion of a common long-term wage settlement between

the Company and the employees. This accord incorporates novel elements such as a productivity enhancement scheme, improvement in housekeeping, elimination of waste and effective utilization of time. The settlement is expected to contribute towards enhancing productivity at the Plant besides enjoining employees and shop-floor associates at Plant to adapt to a richer work culture.

Prevention of Sexual Harassment of Women at Workplace

The Company has policy on prevention of sexual harassment at workplace in line with the requirement of the Sexual Harassment of Women at the Workplace (Prevention, Prohibition & Redressal) Act, 2013. An Internal Complaints Committee (ICC) to redress complaints received regarding sexual harassment has been constituted in compliance with the requirements of the said Act. The policy extends to all employees (permanent, contractual, temporary and trainees). Employees at all levels are being sensitized about the new Policy and the remedies available thereunder.

During the year, the Company has not received any complaint on sexual harassment and there are no complaints pending.

Awareness programme were conducted across the Company to sensitize the employees to uphold the dignity of their colleagues at workplace, particularly with respect to prevention of sexual harassment.

35. BUSINESS RISKS & OPPORTUNITIES

The Business Risk Management Committee, chaired by an Independent Director, is functioning as required under SEBI Regulations. The Committee met twice during the year. Details of this Committee, its terms of reference and functioning are set out in the Corporate Governance Report.

The Company has implemented a Business Risk Management Policy which lays down the framework to identify business risks at both corporate level and at Business Segment level.

The Company's approach to addressing business risks is comprehensive and enables timely anticipation of risks and identification of opportunities enabling appropriate responses, thereby enhancing the Company's competitive advantage. Separate approaches are defined for each of the main business segments of Steel Pipes and forms an integral part of the company's Mid Term Planning cycle.

The Company is faced with various risks at an operational level which very often have the potential to offer business opportunities. Some of the main risks are discussed herein:

Risk due to Covid-19

The outbreak of COVID-19 has impacted the economy and businesses not only in India, but all over the World. The rapid spread of the infection amongst the Indian population, forced Government of India to announce the imposition of nation-wide lockdown from March 25, 2020. This brought all logistics, businesses establishments and industries to a grinding halt except where the government had notified that essential services and

process industries where the continuous operations of the plant facilities are important (including Integrated steel plants), are exempt from the lockdown measures and can continue to operate subject to the hygiene standards and social distancing norms being followed.

However, the crisis of the pandemic continued throughout the year under review. In current phase the crisis has become severe with the onset of second wave of the pandemic.

Grave Concerns

Even after the lockdown is lifted, most likely in phases, the steel sector will continue confronting sustained challenges on account of the labour shortage and hampered logistics movement. The nationwide lockdown is an unprecedented test for every sector, including steel.

In the past few days, hordes of migrant workers have been returning to their hometowns. After the harrowing time they faced for weeks during the lockdown, most are unlikely to return soon. As companies seek to ramp up production for making up lost time, shortfalls in human resources will hinder such goals. But this represents one of the myriad challenges only. With the monsoons around the corner, it will impede the industry's faster return to normalcy.

The biggest barrier, however, is the collapse of demand from various industries. As most consumers have postponed discretionary spending, there is muted demand in all industries, barring essentials such as groceries and FMCGs. Be it white goods, capital goods, automobiles and a host of others, the demand from consumers has plummeted.

Proactive Safety Culture

Your company has identified Health & Safety of employees and workmen as one of its key focus areas. These include possibilities in the areas of the availability and sourcing of Raw Materials, Energy, Efficiency and Conservation, Logistics and production development and market segmentation based on research, imbibing best practices in manufacturing and other areas leading productivity improvement.

Safety on National roads is largely dependent on various factors such as the overall condition and maintenance of roads, vehicle road-worthiness and general observance of road traffic laws. As part of its Logistics Safety function and Indian Road Safety Programme, the Company has taken several initiatives including regular simulator-based driver training, vehicle inspection for road-worthiness and the use of Global Positioning Systems (GPS) to monitor outbound movement of Steel Pipes to the end user.

Opportunities

Your Company also regularly examines potential opportunities created from situations involving business risks. These include possibilities in the areas of the availability and sourcing of raw materials, energy efficiency and conservation, logistics, product development and market segmentation based on research, imbibing best practices in manufacturing and other areas leading to productivity improvement.

36. DECLARATIONS/AFFIRMATIONS

During the year under review:

- there were no material changes and commitments affecting the financial position of the Company, which have occurred between the end of the financial year of the Company to which the financial statements relate viz., 31st March 2021 and the date of this Report; &
- there were no significant material orders passed by the regulators or courts or tribunals impacting the Company's going concern status and its operations in future.

37. ACKNOWLEDGEMENTS

ANNEXURE IVMR – 3SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED 31 MARCH 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To:

The Members
Tamilnadu Steel Tubes Limited
"Mercury Apartments", I Floor,
65, Pantheon Road, Egmore,
Chennai -600 008.

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Tamilnadu Steel Tubes Limited [CIN: L27110TN1979PLC007887]** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on **31st March 2021** ('Audit Period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter :

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made there under
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): —

- (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011
- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 notified on 2nd September 2015 to take effect from 1st December 2015
- (d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 notified on 28 October 2014; (No actions/events requiring compliance pursuant to this Regulations)
- (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with Client
- (f) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (No actions/events requiring compliance pursuant to this Regulations)
- (g) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 (No actions/events requiring compliance pursuant to this Regulations)
- (h) Other laws applicable to the company, as per the representations made by the Company

I have also examined compliance with the applicable clauses of the following:

- (I) Secretarial Standards issued by The Institute of Company Secretaries of India
- (II) The Listing Agreements entered into by the Company with Stock Exchanges.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that;

Based on the information provided to me during the conduct of audit and based on the reports submitted by the Board/Committees from time to time, in my opinion adequate systems, processes and control measures are in place exist in the Company to monitor and ensure compliance with the applicable general laws like labour laws, competition laws and environmental laws.

The requirements of Corporate Governance with regard to composition of Board of Directors and constitution of committees as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 are not applicable to the company with effect from 1st December 2015. However, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. During the financial year, One Director resigned from the Board and One Director was appointed.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. In view of the COVID-19 Pandemic prevailing in the Country, all Board Meetings, Committee Meetings and Annual General Meetings were held through Video Conference, in accordance with the statutory provisions.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period there were no other specific actions/events, in pursuance of above referred laws, rules, regulations, guidelines etc having a major bearing on the company's affairs.

Annexure - VIII**REPORT ON CORPORATE GOVERNANCE**

The Directors present the Company's Report on Corporate Governance for the year ended 31st March 2021

I. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Our corporate governance is a reflection of our value system encompassing our culture, policies, and relationships with our stakeholders. Integrity and transparency are key to our corporate governance practices to ensure that we gain and retain the trust of our stakeholders at all times. The Governance Philosophy of your Company is based on strong foundations of ethical values and professionalism which over the past 42 years of the Company's existence has become a part of its culture. Integrity, transparency, fairness, accountability and compliance with the law are embedded in the Company's robust business practices to ensure ethical and responsible leadership, both at the Board and at the Management level. The Company's Code of Business Conduct, its Ethical View Reporting Policy and its well-structured internal control systems which are subjected to regular review for their effectiveness, reinforces accountability and integrity of reporting and ensures transparency and fairness in dealing with the Company's stakeholders. The Company's focus on sustainable development, its customer centric approach to creating value for the customers by ensuring product quality and innovative value-added service offerings coupled with its outreach through CSR activities and programmes has enabled your Company to earn the trust and goodwill of its investors, business partners, employees and other stakeholders.

In India, Corporate Governance standards for listed companies are regulated by the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations). The Company has adopted best practices mandated in the Listing Regulations. A Report on compliance with Corporate Governance as stipulated in the Listing Regulations is given below:

Governance Structure

TNT's Governance structure comprises the Board of Directors and the Committees of the Board at the apex level and the Management structure at the operational level. This structure brings about a judicious blend in governance as the Board sets out the overall corporate objectives and provides direction and independence to the Management to achieve these corporate objectives within a given framework. This brings about a conducive environment for value creation through sustainable profitable growth.

2. BOARD OF DIRECTORS:

The Board provides leadership, strategic guidance and objective judgement on the affairs of the Company. The Board comprises of persons of eminence with excellent professional achievements in their respective fields. The Independent Directors provide their independent judgement, external perspective and objectivity on the issues which are placed before them. The Board of Directors play a fundamental role in upholding and nurturing the principles of good governance which translates into ethical business practices, transparency and accountability in the Company's dealing with its stakeholders and in the utilization of resources for creating sustainable growth and societal wealth. The Board operates within the framework of a well-defined responsibility matrix which enables it to discharge its fiduciary duties of safeguarding the interests of the Company. The Board's composition and size is robust and enables it to deal competently with emerging business development issues and exercise independent judgement.

The Composition of Board and meetings:

The Company's Board is a balanced mix of Executive and Non-Executive Directors, all having diverse experience and expertise in their fields of operation. They take active part at the Board and Committee Meetings by providing valuable guidance to the Management on various aspects of business, policy direction, governance, compliance etc. which adds value in the decision-making process of the Board of Directors.

The composition of the Board also complies with the provisions of the Companies Act, 2013 and Regulation 17 of Listing Regulations.

As on March 31, 2021, the Board comprised Eight members, consisting of One Managing Director (Executive Director), three Executive Directors and Four Independent Directors. An Independent Director is the chairperson of each of the Board Committees – Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee, Risk Management Committee, and Corporate Social Responsibility (CSR) Committee.

Independent Directors

The Company had issued letters of appointment to the Independent Directors upon being appointed by shareholders at the Annual General Meeting as required under Schedule IV to the Companies Act 2013 and the terms and conditions of their appointment are also disclosed on the Company's website under the link: <https://www.tamilnadusteeltubesltd.com/index.php>

All new non-executive directors inducted to the Board are introduced to our Company culture through orientation sessions. Executive directors and senior management provide an overview of operations, and familiarize the new non-executive directors on matters related to our values and commitments. They are also introduced to the organization structure, services, Group

structure and subsidiaries, constitution, Board procedures, matters reserved for the Board, major risks and risk management strategy. The details of the familiarization program are also available on the Company's website, at <https://www.tamilnadusteeltubesltd.com/index.php>

The Board's policy is to have separate meetings regularly with independent directors to update them on all business-related issues and new initiatives. At such meetings, the executive directors and other members of the senior management share points of view and leadership thoughts on relevant issues.

During the financial year 2020-21, there were Four Meetings of the Board of Directors. The dates of the Board meetings, attendance and the number of Directorships/Committee memberships held by the Directors are given in the Table below:

³Mrs. Shesadhri Rajalakshmi, independent Director resigned on 6th Feb 2021

The Company Secretary acts as the Secretary to the Committee.

The terms of reference of the Committee inter-alia, include the following:

- Succession planning of the Board of Directors and Management Executive Committee;
- Identifying and selection of candidates for appointment as Directors / Independent Directors based on certain laid down criteria;
- Identifying potential individuals for appointment as Key Managerial Personnel and all Ex-Co Members;
- Formulate and review from time to time the policy for selection and appointment of Directors, Key Managerial Personnel and Members of the Executive Committee and their remuneration;
- Review the performance of the Board of Directors, Key Managerial Personnel and Members of the Executive Committee based on certain criteria as approved by the Board. In reviewing the overall remuneration of the Board of Directors, Key Managerial Personnel and Executive Committee Members, the Committee ensures that the remuneration is reasonable and sufficient to attract, retain and motivate the best managerial talent, the relationship of remuneration to performance is clear and meets appropriate performance benchmarks and that the remuneration involves a balance between fixed and incentive pay reflecting short term and long-term objectives of the Company.

Performance Evaluation of the Board and Individual Directors:

One of the key functions of the Board is to monitor and review the Board evaluation framework. The Board works with the nomination and remuneration committee to lay down the evaluation criteria for the performance of the Chairman, the Board, Board committees, and executive / non-executive / independent directors through peer evaluation, excluding the director being evaluated.

Independent directors have three key roles – governance, control and guidance. Some of the performance indicators, based on which the independent directors are evaluated, include:

- The ability to contribute to and monitor our corporate governance practices
- The ability to contribute by introducing international best practices to address business challenges and risks
- Active participation in long-term strategic planning
- Commitment to the fulfilment of a director's obligations and fiduciary responsibilities;

these include participation in Board and committee meetings.

Pursuant to the provisions of the Act and the SEBI (LODR) Regulations 2015, the Board has carried out the annual performance evaluation of its own performance, as well as the evaluation of the working of its Audit, Nomination & Remuneration and Compliance Committees respectively. A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance.

A separate exercise was carried out to evaluate the performance of individual Directors. The Chairman of the Board of Directors and the Chairman of Nomination & Remuneration Committee met all the Directors individually to get an overview of the functioning of the Board and its constituents inter-alia on the following broad criteria i.e. attendance and level of participation, independence of judgment exercised by Independent Directors, interpersonal relationship etc.

Based on the inputs received from the Directors, an action plan is drawn up in consultation with the Directors to encourage greater engagement of the Independent Directors with the Company.

Remuneration to Directors:

Our executive compensation programs encourage reward for performance. A significant portion of the executives' total rewards is tied to the delivery of long-term corporate performance goals in order to align with the interest of the shareholders. The nomination and remuneration committee determines and recommends to the Board the compensation payable to the directors. All Board-level compensation is approved at the shareholders meeting or via postal ballot. As required under the Listing Regulations effective April 1, 2019, the nomination and remuneration committee recommends to the Board the payment of remuneration to the senior management. The Nomination and Remuneration Policy of the Company is available on our website, at <https://www.tamilnadusteeltubesltd.com/index.php>

Remuneration to Managing Director:

The remuneration to the Managing Director has been reduced to Rs. 26,000/- per month, from May 2019 due to sluggish business.

Remuneration to other Directors:

The Company has a policy for determining the remuneration of the Non-Executive Directors of the Company. The Company remunerates its Non-Executive Directors by way of sitting fees for attending each meeting of the Board and / or Committee, and the same is paid within the limits laid down in the Companies Act, 2013 read with the Rules framed there under. The remuneration determined for the Non-Executive Directors is subject to the recommendation of the Nomination and Remuneration Committee and approval of the Board of Directors. The Non-Executive Directors are paid sitting fees of Rs. 2,000/- per meeting for attending Board Meetings, Committee meetings and separate meeting of Independent Directors.

The Remuneration drawn by the Directors and the Key Managerial Personnel during the year is as under:

5. INDEPENDENT DIRECTORS

The Companies Act, 2013 and the Listing Regulations define an 'independent director' as a person who is not a promoter or employee or one of the key managerial personnel of the company or its subsidiaries. Further, the person should not have a material pecuniary relationship or transactions with the company or its subsidiaries, during the two immediately preceding financial years or during the current financial year, apart from receiving

remuneration as an independent director. We abide by these definitions of independent director. Based on the disclosures received from all the independent directors and in the opinion of the Board, the independent directors fulfil the conditions specified in the Companies Act, 2013, the Listing Regulations and are independent of the Management.

Independent Directors plays an important role in the governance processes of the Board. With different points of views flowing from their expertise and experience they enrich the decision-making process at the Board and prevent conflicts of interest in the decision-making process.

The appointment of the Independent Directors is carried out in a structured manner. The Nomination & Remuneration Committee identifies potential candidates based on certain laid down criteria and takes into consideration the diversity of the Board.

Mrs. Seshadhri Rajalakshmi (DIN: 06927846) Woman Independent Director, has been appointed for a fixed tenure of five years from her date of appointment. This appointment has been approved by the Members of the Company at the Annual General Meeting of the Company held on September 23, 2019 for a period of five years up to 18th July 2024, however she resigned on 6th Feb 2021.

Mrs. Jyothi Sathish was appointed as an Independent Director for a period of 3 years i.e., from 22nd Sep 2020, and also representing Small Shareholders.

Mr. M.J. Lakshmi Narasimha Rao, Independent Director was again appointed for a period of 5 years from 25.09.2017 through a special resolution passed at the 38th Annual General Meeting held on 04.09.2017.

It is regretted to note that Mr MJ Lakshmi Narasimha Rao, Chairman passed away due to Covid on 08th May 2021.

Mr. Rajesh Sai Iyer was appointed as an Independent Director for a period of 5 years from 04.09.2017. This has been approved by the Shareholders through an ordinary resolution passed at the 38th Annual General Meeting held on 04.09.2017.

Mrs. Renuka Ramesh, Independent Director completed her three-year term and vacated office on 3rd September 2020 and was re-appointed on 6th Feb 2021.

None of the Independent Directors serve as "Independent Directors" in more than seven listed companies.

Meeting of independent directors:

Schedule IV of the Companies Act, 2013 and the Rules thereunder mandate that the independent directors of the Company shall hold at least one meeting in a year, without the attendance of non-independent directors and members of the Management. At such meetings, the independent directors discuss, among other matters, the performance of the Company and risks faced by it, the flow of information to the Board, competition, strategy, leadership strengths and weaknesses, governance, compliance, Board movements, human

resource matters and performance of the executive members of the Board, including the Chairman. During the year under review, the Independent Directors met once on Nov 13, 2020. The Independent Directors discussed and reviewed the matters specified in Regulation 25(4) of the Listing Regulations and as per provisions of the Companies Act, 2013.

All the Independent Directors were present throughout the Meeting. They expressed satisfaction at the robustness of the evaluation process, the Board's freedom to express views on the business transacted at the Meetings and the openness with which the Management discussed various subject matters on the agenda of meetings. Their suggestions were discussed at the Board Meeting and are being implemented to ensure a more robust interaction at a Board level / Management level.

Induction Programme for new Directors and on-going familiarization programme for existing Independent & Non-Independent Director.

All new non-executive directors inducted to the Board are introduced to our Company culture through orientation sessions. Executive directors and senior management provide an overview of operations, and familiarize the new non-executive directors on matters related to our values and commitments. They are also introduced to the organization structure, services, Group structure and subsidiaries, constitution, Board procedures, matters reserved for the Board, major risks and risk management strategy. The details of the familiarization program are also available on the Company's website, at <https://www.tamilnadusteeltubesltd.com/index.php>

An appropriate induction programme for new Directors and an ongoing familiarization with respect to the business / working of the Company for all Directors is a major contributor for meaningful Board level deliberations and sound business decisions.

At the time of appointing a Director, a formal letter of appointment is given to the Director, inter alia, explains his / her role, function, duties and responsibilities and the Board's expectations from him / her as a Director of the Company. The Director is also explained in detail the compliances required from him / her under the Act, SEBI (LODR) Regulations, 2015 and other relevant regulations and his/ her affirmation taken with respect to the same.

By way of an introduction to the Company, the Director is presented with a book on the Company which traces its history over 42 years of its existence, relevant Annual Reports, Sustainable Development Report, brochure on the CSR activities pursued by the Company.

A presentation is also shared with the newly appointed Director giving an overarching perspective of the steel pipe Industry, organizational set-up of the Company, the functioning of various divisions/ departments, the Company's market share and the markets in which it operates governance and internal control processes and other relevant information pertaining to the Company's business.

Further, as an ongoing process, the Board of Directors is updated on a quarterly basis through presentations and discussions on the overall economic trends, the performance of the Steel

Industry and that of the Company, analysis of the circumstances which helped or adversely impacted the Company's performance, comparison of the Company's performance, with its peers in the Industry based on the information available in public domain, and the initiatives taken / proposed to be taken to bring about an overall improvement in the performance of the Company, marketing strategy, business risks and mitigation plans etc.

The Act facilitates the participation of a Director in Board/Committee Meetings through video conference or other audio-visual mode. Accordingly, the option to participate in the Meeting through video conference was made available for the Directors except in respect of such items which are not permitted to be transacted through video conference. Due to Covid-19 Pandemic, MCA permitted to transact all the businesses through Video Conferences.

6. DUTIES AND FUNCTIONS OF THE BOARD

The Board of Directors provide strategic guidance, monitors operational performance and ensures that robust policies and procedures are in place and through its various Committees guarantees the quality of the Company's risk management, internal controls and ensures compliance with all relevant laws. In particular, the Board periodically reviews the items required to be placed before it and reviews and approves quarterly unaudited financial statements and the audited annual financial statements, corporate strategies, business plans, annual budgets.

The primary role of the Board is that of trusteeship – to protect and enhance shareholder value through strategic direction to the Company.

- As trustees, the Board has a fiduciary responsibility to ensure that the Company has clear goals aligned to shareholder value and its growth.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF TAMIL NADU STEEL TUBES LIMITED

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the accompanying standalone Ind AS financial statements of Tamilnadu Steel Tubes Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2021 and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of change in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information. (Hereinafter referred to as the "standalone financial statements").

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

AUDITORS' RESPONSIBILITY FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers internal control relevant to the Company's preparation and fair presentation of the standalone financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statement.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021 and its profit and loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143(3) of the Act, we report to the extent applicable that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other Comprehensive Income, the Cash Flow Statement and Statement of changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on March 31, 2021, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021, from being appointed as a director in terms of

Section 164(2) of the Act.

- f) With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rule, 2014, as amended, in our opinion and to the best of our information and according to the explanation given to us:
 - i) The company has disclosed the impact of pending litigation on its financial position in its standalone financial statement.
 - ii) The company has made provision, as required under the applicable law or Accounting Standards, for material foreseeable losses, if any, on long term contracts including derivative contracts.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor's Education and Protection Fund by the company.
2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(3) of the Act, we give in the "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order.

Annexure "A" to the Independent Auditors' Report

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Tamil Nadu Steel Tubes Limited of even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s. Tamilnadu Steel Tubes Limited ("the Company") as of 31st March 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included

obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential

components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Annexure - B to the Independent Auditors' Report

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Tamil Nadu Steel Tubes Limited of even date)

On the basis of such checks as we considered appropriate and according to the information and explanation given to us during the course of our audit, we report that:

- i. (a) The company has maintained proper records showing full particulars including quantitative details and situation of its fixed assets.

(b) As explained to us, fixed assets have been physically verified by the management at reasonable intervals; no material discrepancies were noticed on such verification. In our opinion the frequency of verification is reasonable.

(c) The title deeds of immovable properties are held in the name of the Company.
- ii. (a) As explained to us, inventories have been physically verified during the year by the management at reasonable intervals.

(b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business. The Company is generally maintaining proper records of its inventories. No material discrepancy was noticed on physical verification of stocks by the management as compared to book and records.
- iii. According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms or other parties listed in the register maintained under Section 189 of the Companies Act, 2013. Therefore the provision of clause 3(3a), (3b) and (3c) of the said order are not applicable to the Company.

- iv. In our opinion, and according to the information and explanations given to us, the Company has not given any loan nor made any investment and not provided guarantee or any security, as such the provisions of Section 185 and 186 of the Companies Act 2013 are not applicable on the Company.
- v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2021 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.
- vi. We have broadly reviewed the cost records maintained by the Company pursuant to the Rules prescribed by the Central Government under Section 148(1) of the Companies Act, 2013 and are of the opinion that prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- vii. (a) According to the information and explanations given to us and the records of the Company examined by us, in our opinion, the Company is regular in depositing the undisputed statutory dues, including Provident Fund, Employees' State Insurance, Income Tax, Goods & Service Tax, Custom Duty, Cess and other material statutory dues, as applicable, with the appropriate authorities.

(b) According to the information and explanations given to us and the records of the Company examined by us, there are no dues of income tax, sales tax, service tax, custom and excise duty, value added tax as at March 31, 2021 which have not been deposited on account of any dispute. However, the company has received notice of demand from the sales tax department for AY2007-08 to AY2014-15 raising a demand of Rs.310.46 lakhs on reversal of ITC but the company contest that all the assessment years have been duly scrutinized and assessed by the department. The Company has not accepted the demand and filed suitable submissions to the department.

(c) The Company was having disputed income tax liability of Rs.331.15 lakhs. The Company has opted for Direct Tax Vivad Se Vishwas Scheme, a settlement scheme of Central Government, and agreed to pay Rs.253.72 lakhs as full and final settlement of income tax dispute. The Company has paid the entire amount during the march 2021 and the company is yet to file Form-4 of the scheme.
- viii. According to the records of the Company examined by us and the information and explanation given to us, the Company has not defaulted in repayment of loans or borrowings to any financial institution or bank or government as of the balance sheet date.

- ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under clause 3 (ix) of the Order is not applicable to the Company.
- x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. The Company has paid/ provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the company is in compliance with Section 177 and 188 of the Companies Act, 2013, where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements etc. as required by the applicable accounting standards.
- xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence reporting under clause 3 (xiv) of the Order is not applicable to the Company.
- xv. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Accordingly, the provisions of Clause 3(xv) of the Order are not applicable to the Company.
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of Clause 3(xvi) of the Order are not applicable to the Company.

NOTES TO THE FINANCIAL STATEMENT

As at and for the year ended March 31st, 2021

I. CORPORATE INFORMATION

TAMILNADU STEEL TUBES LTD. (the Company) is a Public Limited Company domiciled in India and incorporated under the provisions of the Companies Act 1956, Under **CIN: L27110TN1979PLC007887**. Its shares are listed on Stock Exchanges in India. The Company is engaged in the manufacturing and selling a reputed Brand of Black Pipe (ERW Pipe) & G.I. Pipe. The Company caters to only domestic market.

2. BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of Preparation and Measurement:

These financial statements have been prepared in accordance with the Indian Accounting Standards (**hereinafter referred to as in 'Ind AS'**) as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting standard Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016

These financial statements for the year ended 31st March, 2021 are prepared under Ind AS. For all periods up to and including the year ended 31st March, 2017, the Company prepared its financial statements under historical cost convention in accordance with the generally accepted Accounting Principles in India and the provision of the Companies Act, 2013 read with Section 133 of the Companies Act 2013, read with Rule 7 of the Companies (Accounts) rules 2014, till the standards of accounting or any addendum thereto are prescribed by Central Government in consultation with recommendation of the National Financial Reporting Authority, the existing Accounting Standards notified under Companies Act, 1956 shall continue to apply in all the material aspects with the accounting standards notified under Section 211(3C) (Companies (Accounting Standards) Rules, 2016, as amended) and other relevant provisions of the Companies Act, 2013 immediately before adopting Ind AS. The financial statements for the year ended 31st March, 2017 and the opening Balance Sheet as at 1st April, 2016 have been restated in accordance with Ind AS for comparative information.

The financial statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2016 being the 'date of transition to Ind AS'. All assets and liabilities have been classified as Current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. Based on the nature of products and the time between acquisition of assets for processing and their realization in

cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current or non-current classification of assets and liabilities. These financial statements are prepared under the historical cost convention unless otherwise indicated.

2.2 KEY ACCOUNTING ESTIMATES AND JUDGEMENTS:

The preparation of financial statements requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reported period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

2.3 SIGNIFICANT ACCOUNTING POLICIES

(a) Property, Plant and Equipment:

Property, plant and equipment are stated at acquisition cost net of accumulated depreciation and accumulated impairment losses, if any. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the Statement of Profit and Loss during the period in which they are incurred.

Gains or losses arising on retirement or disposal of property, plant and equipment are recognised in the Statement of Profit and Loss. Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress".

Depreciation is provided on a pro-rata basis on the straight-line method based on estimated useful life prescribed under Schedule II to the Companies Act, 2013.

Freehold land is not depreciable, hence no depreciation charged to statement of profit and loss.

(b) Inventories:

Raw materials are valued at FIFO method. Components, store and spares are valued at lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components and stores and spares is determined on a weighted average basis.

Work in progress and finished goods are valued at lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity.

Scrap is valued at net realizable value.

Net realizable value is estimated at selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

(c) Cash & Cash Equivalents:

Cash and cash equivalents are short-term (three months or less from the date of acquisition), highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(d) Assets held:

Non-current assets or disposal groups comprising of assets and liabilities are classified as 'held for sale' when all of the following criteria's are met:

- i. Decision has been made to sell.
- ii. The assets are available for immediate sale in its present condition.
- iii. The assets are being actively marketed and
- iv. Sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such non-current assets and disposal groups classified as held for sale are measured at the lower of its carrying value and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortized.

(e) Financial Instruments:

Financial Assets:

Financial assets are recognized when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognized at fair value, in case of financial assets which are recognized at fair value through profit and loss (FVTPL), their transaction costs are recognized in the statement of profit and loss. In other cases, the transaction costs are attributed to the acquisition value of the financial asset.

Financial assets are subsequently classified as measured at

- amortized cost
- Fair value through profit and loss (FVTPL)
- Fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition, except if and in the period the Company changes its business model for managing financial assets.

Trade Receivables and Loans:

Trade receivables are initially recognized at fair value. Subsequently, these assets are held at amortized cost, using the effective interest rate (EIR) method net of any expected credit losses. The EIR is the rate that discounts estimated future cash income through the expected life of financial instrument.

Equity Instruments:

All investments in equity instruments classified under financial assets are initially measured at fair value; the Company may, on initial recognition, irrevocably elect to measure the same either at FVOCI or FVTPL. The Company makes such election on an instrument-by-instrument basis. A fair value change on an equity instrument is recognised as other income in the Statement of Profit and Loss unless the Company has elected to measure such instrument at FVOCI. Fair value changes excluding dividends, on an equity instrument measured at FVOCI are recognized in OCI. Amounts recognised in OCI are not subsequently reclassified to the Statement of Profit and Loss. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss. The Company does not have any investments in equity instruments as on balance sheet date.

Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the contractual rights to receive the cash flows from the asset.

Impairment of Financial Asset

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category. For financial assets other than trade receivables, as per Ind AS 109, the Company recognizes 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall. The impairment losses and reversals are recognised in Statement of Profit and Loss.

Financial Liabilities: Initial recognition and measurement

Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost, using the effective interest method.

Subsequent measurement

Financial liabilities are subsequently measured at amortised cost using the EIR method. Financial liabilities carried at fair value through profit or loss is measured at fair value with all changes in fair value recognized in the Statement of Profit and Loss.

Derecognition

A financial liability is derecognized when the obligation specified in the contract is discharged, cancelled or expires.

(f) Provisions and Contingent Liabilities:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

If the effect of the time value of money is material, provisions are discounted to reflect its present value using a current pre-tax rate that reflects the current market assessments of the time value of money and the risks specific to the obligation. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

(g) Revenue Recognition:

Revenue from sale of goods is recognised when all the significant risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. The Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, etc.

Revenue from sale of products manufactured, sale of products traded and sale or supply of services is recognized when practically all obligations connected with the transaction risks and rights to the buyer have been fulfilled. Revenue is measured at fair value of the consideration received or receivable, after deduction of any trade discounts, volume rebates and any taxes or duties collected on behalf of the government which are levied on sales such as sales tax, value added tax, GST etc.

Interest income is recognized using the effective interest rate (EIR) method.

Dividend income on investments is recognised when the right to receive dividend is established.

(h) Expenditure:

Expenses are accounted on accrual basis

(i) Employee Benefits:**a. Defined Contribution Plans:**

Contributions to defined contribution schemes such as employees' state insurance, labour welfare fund, superannuation scheme, employee pension scheme etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees

b. Defined Benefit Plans:

In respect of Gratuity, the Company offers a non-contributory defined benefit plan to its Employees. The liability for the same, as at the year end, is provided for on the basis of Actuarial Valuation.

Liability for Leave Encashment is provided for as and when the entitlement is ascertained

(j) Impairment of Non-Financial Assets:

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset may be impaired. Indefinite life intangibles are subject to a review for impairment annually or more frequently if events or circumstances indicate that it is necessary.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognising the impairment loss as an expense in the Statement of Profit and Loss.

(k) Income Taxes:

Income tax expense for the year comprises of current tax and deferred tax. It is recognised in the Statement of Profit and Loss except to the extent it relates to a business combination or to an item which is recognized directly in equity or in other comprehensive income.

Provision for current tax is made after taking into consideration benefits admissible under the provisions of Income Tax Act, 1961.

Deferred tax is recognised in respect of temporary differences between the carrying amount of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

The Company was having disputed income tax liability of Rs.331.15 lakhs. The Company has opted for Direct Tax Vivad Se Vishwas Scheme, a settlement scheme of Central Government, and agreed to pay Rs.253.72 lakhs as full and final settlement of income tax dispute.

The company has paid the entire amount during the March 2021 and the company is yet to file Form-4 of the scheme.

(l) Leases:

Leases in which a substantial portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Payments and receipts under such leases are recognised to the Statement of Profit and Loss on a straight-line basis over the term of the lease unless the lease payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases, in which case the same are recognised as an expense in line with the contractual term.

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards incidental to ownership to the lessee.

The Company has given 6 acres of land on lease to Mrs. Durga Devi Goyal, relative of former MD, and the lease is duly approved by the shareholders in the AGM. The lessee intends to buy the land and has given an advance amount of Rs.13.01 crore to the company. Registration of land is yet to be done by the company.

(m) Earnings Per Share:

The basic earning per equity share is computed by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the reported period. The number of shares used in computed diluted earnings per share and also the weighted average number of shares considered for deriving basic earnings per share which may be issued on the conversion of all dilutive potential shares, unless the results would be anti- dilutive.

(n) Excise Duty / Goods & Services Tax:

Excise Duty / GST is accounted on the basis of both, payments made in respect of goods cleared/ services provided as also provision made for goods lying in bonded warehouse if there is Goods & Service Tax is charged to Profit & Loss Account.

(o) Segment Reporting:

The accounting policies adopted for the segment reporting are in line with the accounting polices stipulated. The Company primarily operates in single business segment which is Steel Tubes (Black, GI Pipes & Stainless-Steel Pipes), and accordingly there is no primary segments to be reported as per Accounting Standard 17 "Segment Reporting".

(p) Sick Company:

The Company has been declared by the Board for Industrial & Financial Reconstruction as a "Sick" industrial company within the meaning of Sec 3(1)(o) of Sick Industrial Companies (Special Provisions) Act 1985, but during the year the net worth is in positive. Hence the company ceased to be Sick Industrial Company

Dear Shareholder,

RE : Green Initiative in Corporate : Go Paperless

The Ministry of Corporate Affairs ('Ministry') has taken a "Green Initiative in Corporate Governance" by allowing paperless compliances by companies through electronic mode. In accordance with the Circulars bearing No.17/2011 dated 21.04.2011 issued by the Ministry, companies can now send various notices/documents (including notice calling Annual General Meeting, Audited Financial Statements, Directors' Report, Auditors' Report etc.) to their shareholders through electronic mode, to the registered e-mail addresses of the shareholders.

It is a welcome move for the society at large, as this will reduce paper consumption to a great extent and allow public at large to contribute towards a greener environment.

This is also a golden opportunity for every shareholder of Tamilnadu Steel Tubes Limited (the Company) to contribute to the Corporate Social Responsibility initiative of the Company. All you have to do is to register your e-mail id with the Company to receive communication through electronic mode.

Advantages of registering for E-communication:

Receive communication promptly. Reduce paper consumption and save trees. Eliminate wastage of paper. Avoid loss of document in postal transit. Save costs on paper and postage.

We therefore, invite you to contribute to the cause by filling up the form given along with for registering your e-mail ID and send it back to us.

Kindly note that you still wish to get a hard copy/physical copy of all the communications, the Company undertakes to provide the same at no extra cost to you. In case you desire to receive the above mentioned documents in physical form, you are requested to send an e-mail to tnt.share@yahoo.in or send a letter to the address as mentioned above.

Registration / Updating of E-Mail IDs and Bank Details

Members are requested to support "Green Initiative" by registering their e-mail address with the company, if not already done.

Those Members, who have changed their e-mail ID, are requested to register their new e-mail ID with the Company in case the shares are held in physical form and with the Depository Participant where shares are held in Demat mode. Pursuant to SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is required to maintain Bank details of its Members for the purpose of payment of Dividends etc. Members are requested to register / update their bank details with the Company in case shares are held in physical form and with their depository Participants as well as the Company where shares are held in dematerialized mode, to enable expeditious credit of the dividend to their bank accounts electronically through ACH.
